

Quarterly GIVEAWAYS

VST-60G Valve Spring Tester

All members who join or renew between **October 1 – December 31** will have a chance to win a **VST-60G Valve Spring Tester** from Goodson!

This American-made valve spring tester features 600 pound capacity in 10 pound increments. 5" diameter Ashcroft quality analog pressure gauge reads in both SAE and Metric. Integral vertical height scale that moves 180° right to left to show inches on one side and millimeters on the other. Spring platform that handles springs up to 2" diameter x 4.5" overall height.
